

# Thick (feat. 2 Chainz)

## O.T. Genesis

Ay, thick, thick, thick, thick  
I can't even pass on her  
She walk around with all of that ass on her  
Thick, thick, thick, thick  
I can't even pass on her  
She walk around with all of that ass on her  
Shawty bad as hell and she all about the lettuce  
Waist line small, I'm like what you ate for breakfast?  
Said she from Miami but she moving back to Texas  
Know she want a nigga cause she staring at my necklace  
Wanna hit the club cause she wanna show her clothes  
Bought some new heels cause she wanna show her toes  
Dress fit right and it's better when she pose  
Custom everything, you can't find it in the store  
Beep-beep-beep, that's a bad bitch balling  
Only fucking with you if you know what's falling  
Ain't a gold digger cause she got her own shit  
Ain't a gold digger cause she got her own shit, yeah  
Money in the bank, need no cheese  
She's on beat, hair on fleek  
I ain't talking no spending, hell nah that's weak  
Want a hood nigga that can give her that meat  
Ay, thick, thick, thick, thick  
I can't even pass on her  
She walk around with all of that ass on her  
Thick, thick, thick, thick  
I can't even pass on her  
She walk around with all of that ass on her  
She's thick, lick  
She thick, you switch  
Good girl with a bad attitude  
Take you everywhere, longitude, latitude  
Gratitude, she from the peach state  
I'm from pete sake's  
Pound on that ass, couple rounds make me sleep late  
Bitch wait  
Take her back like a rebate  
She entre  
My appetizer straight from cheese cake  
He fake  
He fake balling  
Look at them  
Tall guns to your walled in  
Then she called up

That's that take me to the mall strat  
Fuck the mall up  
Then I beat it till she ball up  
All she want is a baller  
She know I'm (?) ballers  
Tonight she gon' have to swallow  
In the morning she gon' have to swallow  
Yeah, I can't even lie to you  
She told me, "Tity ain't this pussy fire to you?" yeah  
Ay, thick, thick, thick, thick  
I can't even pass on her  
She walk around with all of that ass on her  
Thick, thick, thick, thick  
I can't even pass on her  
She walk around with all of that ass on herThick, thick, thick, thick, thick  
Thick, thick, thick, thick, thick  
She thick, she thick, she thick  
She thick, she thick, she thick  
She thick, she thick, she thick
