

# Sound Effects and Overdramatics

## The Used

When the shirt came off, it was all in time  
When a m-m-m-minute turned into a mile  
And I broke that grin, and I cut it out  
And you got all turned on by the taste of the ocean  
When I mention blue, all you thought was color  
When you mention drugs, all I thought was sober  
When your pants came off and I turned you over  
When you mention blueKill  
Smile  
Cut it out for me this time  
Smile, haven't seen him smile in a while  
Keep the mask aligned  
Cut it up in time  
There's a space between valleys  
And try and catch a vibe  
Make a circle square  
A rectangle curve  
Use a smile as a noun and I think like a verbRun quick switch sides  
Spill the filled up canister  
And the room is shaking  
Now you're changing places  
And I switched my pace  
And my breathing races when you mention blueKill  
Smile  
Cut it out for me this time  
Smile, haven't seen him smile in a while  
(This is not) Kill  
(This is not) Smile  
(This is not, this is not) Cut it out for me this time  
(This is not, this is not, this is not) Smile, haven't seen him smile in a whileKill  
Smile  
Cut it out for me  
Cut it, cut it out  
Smile  
Kill  
Cut it out for me  
Cut it, cut it outWe cut it outKill  
Smile  
Cut it out for me this time  
Smile, haven't seen him smile in a whileKill  
Smile  
Cut it out for me this time

Smile, haven't seen him smile in a while  
Get down and stay awake

Smile
