

# Why Do I Do (feat. Jason Gaffner)

Sam Padrul

ou got me running around in circles baby  
Over and over again  
Oh how many times can I justify  
That something that something we had  
I had enough  
Now, I feel it up  
Then down down  
Gotta figure out  
Why why  
Why do I do  
The things I do for you  
I'm much more concerned about  
tempering your feelings  
But I ain't got no reason to do  
These things I do  
Why do I do these things I do with you  
I'm much more concerned about  
tempering your feelings  
But I ain't got no reason to do  
These things I do  
I can't even recognise you  
The way the way that you changed  
This ain't living it's just survivin'  
It's drivin' drivin' me crazy  
So tie it up  
How you're dragging me down down  
Gotta figure out  
Why Why Why do I do  
The things I do for you  
I'm much more concerned about  
tempering your feelings  
But I ain't got no reason to do  
These things I do  
Why do I do these things I do with you  
I'm much more concerned about  
tempering your feelings  
But I ain't got no reason to do  
These things I do  
I decided that I want nothing to do  
Nothing to do with you  
Don't you fight it  
Cause baby I'm through,

Baby I'm through with you  
Why do I do  
The things I do for you  
I'm much more concerned about  
tempering your feelings  
But I ain't got no reason to do  
These things I do  
Why do I do these things I do with you  
I'm much more concerned about  
tempering your feelings  
But I ain't got no reason to do  
These things I do  
(Things I do for you yeah)
