

Brand New Key

Melanie

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you got something I need Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them out, you see I been looking around awhile
You got something for me
Oh, I got a brand new pair of roller skates
You got a brand new key
I ride my bike, I roller skate, don't drive no car
Don't go too fast but I go pretty far
For somebody who don't drive, I been all around the world
Some people say, I done all right for a girl I asked your mother if you were at home
She said yes, but you weren't alone
Oh, sometimes I think that you're avoiding me
I'm okay alone but you've got something I need
Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them out, you see
la la la la la la la la la la la la la la la
oh i got a brand new pair of roller skates
you got a brand new key
