

Answer to No One (feat. JJ Lawhorn)

Colt Ford

Let me tell you a little story bout how I was raised
Every day work, every day pray
God, family, friends, yeah everybodys friends
A winner never quits, and a quitter never wins
Helps folks in need, dont fall for greed
A jealous man is weak so think before you speak
If you love em let em know, if you hate let it go
Fast can be fun, but sometimes you need slow
God is all good, the devil is so real
So listen up yall cause this is how I feel
I wont back up, I dont back down
Ive been raised up to stand my ground
Take my job but not my guns
Tax my check till I aint got none
Except for the good Lord up above
I answer to no one
See Im a flag flyin bible totin son of a gun
Yeah Im hell on the hard just a rebel on the run
Scared dont know it, fear dont feel it
The truth is the light, sometimes you gotta fight
Good beats bad, right beats wrong
Im a ball room preacher and this is my song
Im climbing for the top, representin for the country
Im the peoples champ right out of deer camp
Shotgun toter, republican voter
Hank Junior supporter, lets protect our border
To hell with anyone who dont believe in the USA
Cause this is what I say
I wont back up, I dont back down
Ive been raised up to stand my ground
Take my job but not my guns
Tax my check till I aint got none
Except for the good Lord up above
I answer to no one Give me my right to vote, my right to tote
The weapon of my choice, dont censor my voice
Hate me if you want or love me if you can
If the truth is what you want then you found your man
I aint backin down, I aint backin up
If you think like I think, man crank it on up
I wont back up, I dont back down
Ive been raised up to stand my ground
Take my job but not my guns

Tax my check till I aint got none
Except for the good Lord up above
I answer to no one
I answer to no one
