

# Year of the Lover

## Lloyd

This one for the radio  
Don't make plans for dinner  
I'm a put you up on the stove  
And take off all of your clothes girl watch me cook Until you get nice and tender  
You ain't going no where  
Tonight I'm holding you hostage  
So bring it front and center we 'bout to get up And I might mess up your make up  
But I don't care how you look  
'Cause I know I found winner  
I hope your ready to run your victory lap This is the year of the lover  
Let's make a baby, let's do something crazy  
Let's reach out and love one another  
This is the year of the lover  
Let's make a baby, let's do something crazy  
Let's reach out and love one another I'm a catch you in the shower while you dripping wet  
I'm a come and kiss your neck, you gone kiss mine back  
How sexy is that?  
Rub your teardrop, put your body on the counter  
You gone say do that daddy, I'm gone say okay mama Wrap you in a towel and bring you over  
to the bed  
I'll watch you spread and get in between your legs  
Now I know that you won't give my loving to no other  
We on top of the covers This is the year of the lover  
Let's make a baby, let's do something crazy  
Let's reach out and love one another This is the year of the lover  
Let's make a baby, let's do something crazy  
Let's reach out and love one another  
I'm gunna strip you down  
Picture me rubbing your body nice and slow  
I'm gunna take you on a ride  
Called making love girl don't let go This is the year of the lover  
Let's make a baby, let's do something crazy  
Let's reach out and love one another This is the year of the lover  
Let's make a baby, let's do something crazy  
Let's reach out and love one another I'm a love you girl, I'm a love you baby  
Oh, I just wanna love you
