

# Leave Me Alone

## Razorlight

Oh, when did you decide  
To start living like it's suicide  
Wasting all my time  
And messing up my mind Oh, now darling, please leave me alone  
I'm so tired I wanna be on my own  
But ya  
You keep on callin' on my telephone  
And I  
Wish I could show you somewhere better  
Better to go And when you get there  
Well, if you freak them all out  
With your sweatshop charm  
You'll leave them in no doubt  
And when you get challenged  
You'll only lie about your age  
But it's the distance you travel  
And the fields you unravel  
Of all the bars on your cage But all I wish is just leave me alone  
I'm so tired I wanna be on my own  
But you  
You keep on callin' on my telephone  
And I wish I could show you somewhere better  
Better, better, better to go somewhere else  
Somewhere else  
Somewhere else Oh, you've got to  
Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone Oh, just leave me alone  
What don't you understand?  
Just leave me alone  
What don't you understand?  
What is there to understand?  
Just, just leave me alone  
Just leave me alone  
Just leave me alone  
Just leave me alone Leave me a.  
Leave me a.  
Leave me a.  
Leave me a.  
Leave me a.  
Leave me a.
