

# Me and You

Brenton Wood

Me and You  
Lets get away, from it all  
Me and You  
Having a ball You know we've been together a long time and you know what we can  
get a lil light weight thing going. If we really put our hearts to it.  
If you try and I try girl there's no telling how far we can go.  
Remember those lovin fools Romeo and Juliet they thought they had a  
thing goin but they just didn't know. THEY couldn't visualize they had no  
idea how it could really be but we know  
Me and You  
Let's get away  
Me and You  
Having a ball (Ohh Yeah)  
Yes Lord, we know don't we darlin.  
We won't be wasting our time fustin and fightin like other people  
We're gonna be to bust being in love  
This is the real thing we found the groove  
We move each other, we turn each other on  
This could last forever, all we need to do is give some kind of sign yes lord  
And from then on baby it's easy lets talk about me and you Me and You  
Let's get away  
Me and You
