

# I Miss You (feat. Letoya Lockett)

## Webbie

I'll be missin' you Hello, Young Savage  
What you doin'? Trill Ent  
I'll be missin' you  
I'll be missin' you  
Webbie I ain't been home but a few days, I miss you  
I know you do, I ain't gon' lie, I miss you too  
Come on kiss me through the phone, I'ma kiss you too  
Now I'ma hit you in a minute, gotta get this loot Girl, we got us somethin' special, I know it ain't  
nothin' better  
You can trust me 'cause I'm tellin' ya, I don't want nothin' else  
You get lonely, you can just use the pictures up on the dresser  
I ain't never think a woman could have me this lil' feelin'  
Girls'll walk up on me, flirtin', I be tellin' 'em, "Nah, I'm chillin"  
Hug you tight, go to sleep, just to squeeze you like my lil' pillow  
Then I wake up Monday mornin', don't come back till Friday  
And my whole 'nother whip, sittin' on 6's with tinted windows Baby phat bags, all the purses  
with matchin' slippers, you done heard  
I fucked this dumb bitch, now you mad trippin'  
Tears in ya eyes, yellin' you tired of my fast livin'  
I'm just happy for to see ya, goddamn, I miss you Since you went away, I've been down and  
lonely  
Since you went away, I've been thinkin' of you  
Ooh, I'm missin' you, ooh, I'm missin' you From rags to riches, if that shit was to hit me again  
I'd have to bring you with me again  
It done been a lot of stuff I found myself in  
And you stuck by a nigga like my left hand  
It wasn't all this at first, till we just kept prayin'  
Now I'm on, you a bad ass bitch, yes, ma'am  
And oh yes ma'am, as soon as I get home it's gon' be work time  
And you know us, we like to fuck like it's the first time You tell the first time for some reason  
I knew that I was stayin' and I figured you wasn't leavin'  
I know that I don't need ya but be feelin' like I need ya  
When it come to certain people, I act like I got a meetin' But I just wanna please ya, trust me,  
they just wanna be ya  
Whenever I ain't with ya, baby, I can't wait to see ya  
I gotta keep it G and say I love ya, 'cause I'm for real  
Now what's with all the tears? We been doin' this shit for years Since you went away, I've been  
down and lonely  
Since you went away, I've been thinkin' of you  
Ooh, I'm missin' you  
ooh, I'm missin' you  
Ooh, I'm missin' you

ooh, I'm missin' you  
Ya, everything I need, couldn't have asked for more  
Boy, you know you were waitin' for  
I know you wonder why I'm standin' at the door  
To let you know, I miss you  
And you can see it in my eyes  
You're the completion to my life  
Ain't even a question, you already know  
But I'll remind you that, I miss you, ooh  
I miss you, baby, ooh I'll miss you baby  
(Ooh, I'll be missin' you)  
I'll miss you baby, ooh  
(I'll be missin' you)  
I'll miss you  
(Ooh, I'll be missin' you) Ooh (Ooh)  
I'll miss you, I'll miss you baby  
(Ooh)(Ooh)  
I'll be missin' you, I'll be missin' you  
(Ooh)  
I'll be missin' you
