

# King Diamond

## Team Sleep

Nothing else  
(look close, look close and you will see)  
Feels like this  
(diamonds... into infinity)  
(don't sing, don't sing that song to me)  
Start from you less  
Feel to connect it  
(of hope... that poison melody)  
Your off too quick  
Surprise  
Start  
Look down and sick on the floor  
Restart  
So what are you talking about?  
Nothing... Important  
Just don't stop  
Yeah, you won't remember me anyway  
Why?  
Restart  
(5, 6, 7, 8)  
So what are you talking about?  
Nothing  
Talk  
What, you won't remember me anyway  
Restart  
So what are you talking about?  
Nothing  
Just don't stop  
Yeah, you won't remember me anyway  
Why?  
Restart  
So what are you talking about?  
Nothing  
Talk  
Anyway, anyway, anyway...Nothing else  
(look close, look close and you will see)  
Feels like this  
(diamonds... into infinity)  
Start from less  
(don't sing, don't sing that song to me)  
We are connected  
(of hope, that poison melody)Start

Look down and sick on the floor  
Restart  
So what are you talking about?  
(1, 2, 3, 4)  
Nothing... Important  
Just don't stop  
Yeah, you won't remember me anyway  
Why?  
Restart  
(5, 6, 7, 8)  
So what are you talking about?  
Nothing  
Talk  
You won't remember me anyway  
Why?
