

# Time for You (feat. Wonder Stereo)

Taio Cruz

I got the love that you need, come and get it  
I've been makin' time for you  
If you got the love that I need, come and get it  
I've been makin' time for you  
I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time, ooh I got it bad, bae, I got it bad, bae  
You got me hooked on your love, I need it badly  
I got it bad, bae, I got it bad, bae  
You got me hooked up on your love, alright  
I got the love that you need, come and get it  
I've been makin' time for you  
If you got the love that I need, come and get it  
I've been makin' time for you  
I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time, ooh Girl, you did what you did, now you can't undo it  
You got me breaking the rules  
I was fine, turned the love but now I'm goin' through it  
I'm trippin', fallin' for you I got it bad, bae, I got it bad, bae  
You got me hooked on your love, I need it badly  
I got it bad, bae, I got it bad, bae  
You got me hooked up on your love, alright  
I got the love that you need, come and get it  
I've been makin' time for you  
Oh baby, I got the love that you need, come and get it  
I've been makin' time for you  
Baby, I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time, ooh  
I've been makin' time  
I've been makin' time  
I've been makin' time
