

When the Sun Goes Down

Arctic Monkeys

So who's that girl there?
I wonder what went wrong
So that she had to roam the streets
She don't do major credit cards
I doubt she does receipts
It's all not quite legitimate And what a scummy man
Just give him half a chance
I bet he'll rob you if he can
Can see it in his eyes, yeah
That he's got a driving ban
Amongst some other offences And I've seen him with girls of the night
And he told Roxanne to put on her red light
They're all infected but he'll be alright
Cause he's a scumbag, don't you know
I said he's a scumbag, don't you know!
Although you're trying not to listen
Avert your eyes and staring at the ground
She makes a subtle proposition
I'm sorry love I'll have to turn you down He must be up to something
Want half a chance to show he's more than likely
I've got a feeling in my stomach
I start to wonder what his story might be
What his story might be They said it changes when the sun goes down
And they said it changes when the sun goes down
And they said it changes when the sun goes down
Around here
Around here And look here comes a Ford Mondeo
Isn't he Mister Inconspicuous
And he don't even have to say 'owt
She understands she's here to get picked up
And she's delighted when she sees him
Pulling in and giving her the eye
Because she must be fucking freezing
Scantly clad beneath the clear night sky
She don't stop in the winter, no and... They said it changes when the sun goes down
And they said it changes when the sun goes down
And they said it changes when the sun goes down
Around here They said it changes when the sun goes down
Over the river going out to town
And they said it changes when the sun goes down
Around here
Around here What a scummy man

Just give him half a chance
I bet he'll rob you if he can
Can see it in his eyes that he's got a nasty plan
I hope you're not involved at all
