Slaughter (From Slaughter)

Billy Preston

Slaughter's going to blow your mind Slaughter does not waste his time My advice to you is this If you shoot at him you better not missSlaughter's big, bad, black and bold The brother has a lot of soul Don't you make him mean and cross 'Cause he'll show you who's the boss Slaughter Slaughter come to blow your mind Slaughter does not waste his time My advice to you is this If you shoot at him, brother You better not miss Slaughter is big, bad, black and bold The brother has a whole lot of soul Don't you make him mean and cross 'Cause he will show you who's the boss SlaughterYeah, Slaughter Yeah, Slaughter
