Glow in the Dark

Family Force 5

You energize me I've never felt this before Oh, and it's blinding Brighter than the sun at its coreThis heart that is beating Without worth repeating A fire to be something moreI glow in the dark You are made of light Glow all day Glow all night Like the stars up in the sky We keep on shining you and I I glow in the dark You are made of light Glow all day Glow all night We shine You & II glow in the darkYou energize me With a passion that could send me to war Electrifying From the heavens to the ocean floorI glow in the dark You are made of light Glow all day Glow all night Like the stars up in the sky We keep on shining you and I I glow in the dark You are made of light Glow all day Glow all night We shine You & II glow in the darkTry to change me Try, try to change me You've never change me (You'll never change me) I glow in the dark, dark, dark, dark I glow in the dark, d-dark, darkI glow in the dark You are made of light Glow all day Glow all night Like the stars up in the sky We keep on shining you and II glow in the dark You are made of light

Glow all day Glow all night We shine You & I Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
