

Nirvana

Inna

Boom boom, contigo te hace I got lost in the city
And no one there but me, oh
Missing you on my body
(Oh, oh oh, oh oh, oh oh, oh)
Baby, I know we could be
Could be more than amigos
I'll be good if you let me
(Oh, oh oh, oh oh, oh oh, oh) Nine one one, I'm on fire
Don't leave me lonely
Nine one one, I'm on fire Smoking nirvana, ring the la la la la
Smoking nirvana, come on ring the la la la la
Started a flame inside my heart
Baby, don't ever put it out
Smoking nirvana, come on ring the la la la la
Sabes que tú corazón conmigo
Hace boom boom contigo
Sabes que tú corazón conmigo
Hace boom boom contigo
Sabes que tú corazón conmigo te hace
Boom boom, contigo te hace
Sabes que tú corazón conmigo te hace
Boom boom, contigo te hace I got lost in this feeling
I got lost in nirvana
Grab my hand if you feel it
(Oh, oh oh, oh oh, oh oh, oh)
Baby, I know that we'll be
We'll be more than amigos
I'll be good if you let me
(Oh, oh oh, oh oh, oh oh, oh)
Nine one one, I'm on fire
Don't leave me lonely
Nine one one, I'm on fire Smoking nirvana, ring the la la la la
Smoking nirvana, come on ring the la la la la
Started a flame inside my heart
Baby don't ever put it out
Smoking nirvana, come on ring the la la la la Sabes que tú corazón conmigo
Hace boom boom contigo
Sabes que tú corazón conmigo
Hace boom boom contigo
Sabes que tú corazón conmigo te hace
Boom boom, contigo te hace
Sabes que tú corazón conmigo te hace

Boom boom, contigo te hace Boom boom, ring a ding dong
Ring the alarm ding a ling a ling ding
Boom boom, ring a ding dong
Call nine one one now Smoking nirvana, ring the la la la la
Smoking nirvana, come on ring the la la la la
Started a flame inside my heart
Baby don't ever put it out
Smoking nirvana, come on ring the la la la la Sabes que tú corazón conmigo
Hace boom boom contigo
Sabes que tú corazón conmigo
Hace boom boom contigo
Sabes que tú corazón conmigo te hace
Boom boom, contigo te hace
Sabes que tú corazón conmigo te hace
Boom boom, contigo te hace
