The Heart's Lonely Hunter Lyrics  
The Truth is unspoken, a promise is broken  
I'm under surveillance, they know what my name is  
I need some protection, some love and affection  
There's 1000 reasons, but one is the number  
Welcome to my spaceship  
It's beautiful forever  
She's right here where you left her  
And the heart's lonely hunter  
Save bottles of water and flour and sugar  
Turn off the AC and hang up the bed sheets  
Cover up windows, careful where the light goes  
Yank out the cable and blow out the candle  
Welcome to my spaceship  
You're beautiful forever  
She's right here where you left her  
And the heart's lonely hunter  
Perfectly molded almost unfolded  
Under the counter well, that is your nature  
Drip grind or roasted, buttered or toasted  
The greater the db's the higher the AC  
Psycho acoustics  
Down in the black seats  
Stereo nation  
Amplification  
The brave and the righteous  
They're safe in their houses  
Now one is just a number  
The heart's a lonely hunter  
One is the number  
Heart is a hunter  
One is a number  
Heart is a hunter  
Welcome to my spaceship  
You're beautiful forever  
She's right here where you left her  
And the heart's lonely hunter  
Welcome to my spaceship  
You're beautiful forever  
She's right here where you left her  
And the heart's lonely hunter
