

# Are You Gonna Go My Way (feat. Robbie Williams)

Tom Jones

Hey Robbie are you ready for this  
I'm always ready Tom, You know that  
I think you were born ready  
Ha ha, Come On  
I was born long ago  
I'm the chosen, I'm the one  
I have come to save the day  
And I won't leave until I'm done  
And that is why you got to try  
You got to breathe and have some fun  
Though I'm not paid, I play this game  
And I won't stop until I'm done  
But what I really want to know is...  
Are you gonna go my way?  
And I got to, got to know  
I don't know why we always cry  
We must leave and get undone  
We have to change and rearrange  
And turn this planet back to one  
So tell me why, we got to die  
And kill each other one by one  
We've got to love and rub-a-dub  
We've got to dance and fall in love  
But what I really want to know is...  
Are you gonna go my way?  
And I've got to, got to know  
Is that you telling it like it is,  
Yeah, exactly  
Yeah, yeah  
Uh huh  
Yeah Aw, play the guitar, son  
C'mon  
Whooh, Yeah, Whooh, Yeah, Whooh, Yeah, Whooh, Yeah  
What I really want to know is  
Are you gonna go my way?  
And I got to, got to know  
I got to know
