

Just Kickin' It Like a Wild Donkey

Minus the Bear

she's got a couple down
shooting shots like with a gun
i think she's gonna die go on go on go on go on
go on go on go on go on go on but she stands and starts to dance
she cant dance
ya it's alright go on go on go on go on go on
go on go on go on go on go on
she's got on some good jeans
no one sitting round here
can put down their drinks
she's got on she danced up to me
took a drink of my drink
now a man is standing up
go on go on go on go on go on
go on go on go on go on go on
she's got on some good jeans
no one sitting round here
can put down their drinks
she's got on
