

# Just Kickin' It Like a Wild Donkey

## Minus the Bear

she's got a couple down  
shooting shots like with a gun  
i think she's gonna die go on go on go on go on  
go on go on go on go on go on but she stands and starts to dance  
she cant dance  
ya it's alright go on go on go on go on go on  
go on go on go on go on go on  
she's got on some good jeans  
no one sitting round here  
can put down their drinks  
she's got on she danced up to me  
took a drink of my drink  
now a man is standing up  
go on go on go on go on go on  
go on go on go on go on go on  
she's got on some good jeans  
no one sitting round here  
can put down their drinks  
she's got on
