## **Mystery Man**

## The Outfield

Got a letter from a mystery man
In between the lines, he don't understand
He's on a mission in Mozambique
The room is wired and I just can't speakIn the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbyeGot to get there just as fast I can
A pink carnation on a mystery man
A rendezvouz in Romania

Double agents in AustraliaIn the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
In the middle of it all, he just says goodbye, goodbye
In the middle of it all, he can waste no time
In the middle of it all, he just says goodbye, goodbye
In the middle of it all, he just says goodbye, goodbye
