

Lil' Freak (Ugh Ugh Ugh) [feat. Webbie]

Three 6 Mafia

I know a lil' freak in, in Hollywood
Sucks, sucks on dick, does it, does it real good
I know a lil' freak in, in Hollywood
Sucks, sucks on dick, does it, does it real good I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like They call me Mr. Ding-A-Ling
Weighed on the triple beam
Guarantee you five or less
Means I can make you cream
I see you got these boyfriends
Spendin' money buyin' bling
I know you got some super head
That's super hot like Holla Pain I heard that pussy so damn fuckin' good
Turn you into thangs
I hope you know I'm straight up from the hood
Love to bang bang Make me wanna scratch up, get some brain
How you fit them jeans
We can drink and up, do some thangs
I mean do some thangs Hot tub, Jacuzzi, we can get nude-y
Know you a fiend the way you shake yo booty
Her first name Suzy, last name Bougie
Got her real drunk, my neck she'll chew me
I know a lil' freak in, in Hollywood
Sucks, sucks on dick, does it, does it real good
I know a lil' freak in, in Hollywood
Sucks, sucks on dick, does it, does it real good I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like Thoroughbred, soft skin, pussy's just right
I beware when I go in there 'cause I know that pussy bite
Ain't got no marks on her body, she like to keep on the lights
She put her legs on my shoulders
And I long dick her like mmm, mmm, mmm Yeah, it's Mr. Savage Life
Yeah, I give it to ya like you never ever had it like
I don't know her name, we just did it on the first night
I'ma call her JJ 'cause I know that shit was dy-no-mite Girl, who that pussy for? Nobody from
the look at ya
Wanna be the fiend that puts it up? Then I'm the man ya lookin' for
Nigga put them cuffs up, go find another chick to show

'Cause I already hit that ho, and believe me, I already know I know a lil' freak in, in Hollywood
Sucks, sucks on dick, does it, does it real good
I know a lil' freak in, in Hollywood
Sucks, sucks on dick, does it, does it real good I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like mmm, mmm, mmm
I long dick her like Look at Ms. Goody Goody pussy right there
With that pretty ass face and that pretty ass hair
With some pretty ass eyes and that pretty ass smile
I guess that one drink I bought her will be worth my while With ya Double-D rack and ya tattoo
on ya back
And I really dig the way ya pussy lookin' from the back
Matter of fact, I think I'll start from the back
Made my mind, it is from the back Gimme one more win once again from the back
Next time I think I'm gonna win with some Pat
Some Hen, some Cap, some droolin' on my pipeline
Give ya boy oral 'til his heart flat line She all mmm, mmm, mmm
Mmm, mmm, mmm
Mmm, mmm, mmm
Mmm, mmm, mmm Mmm, mmm, mmm
Mmm, mmm, mmm
Mmm, mmm, mmm
Mmm, mmm, mmm
