

# That's All It Took

## Gram Parsons & The Fallen Angels

that's all it took  
the mention of your name  
and all my love for you  
burst into flame  
I tried so hard  
to let you go, but look  
how I still tremble at your name  
that's all it took  
that's all it took  
to make me know that I still care  
it seems my heart just can't give up  
the dreams we used to share  
I tell my friends I'm happy  
but they read me like a book  
and when today I heard them say  
your name that's all it took  
that's all it took  
to make me yearn for your embrace  
I guess I might as well admit  
no one can take your place  
I fell for you completely  
sinker line and hook  
and when today I heard them say  
your name that's all it took  
and when today I heard them say  
your name that's all it took
