Stressed Out

twenty one pilots

I wish I found some better sounds no one's ever heard I wish I had a better voice that sang some better words I wish I found some chords in an order that is new I wish I didn't have to rhyme every time I sang I was told when I get older, all my fears would shrink

But now I'm insecure, and I care what people thinkMy name's Blurryface and I care what you think

My name's Blurryface and I care what you thinkWish we could turn back time to the good old

When our momma sang us to sleep but now we're stressed out Wish we could turn back time to the good old days When our momma sang us to sleep but now we're stressed out We're stressed out

Sometimes a certain smell will take me back to when I was young How come I'm never able to identify where it's coming from? I'd make a candle out of it, if I ever found it

Try to sell it, never sell out of it, I'd probably only sell one It'd be to my brother, cause we have the same nose, same clothes, home grown, the stone's

throw from a creek we used to roam But it would remind us of when nothing really mattered Out of student loans and tree house homes, we all would take the latterMy name's Blurryface

and I care what you think My name's Blurryface and I care what you thinkWish we could turn back time to the good old

> days When our momma sang us to sleep but now we're stressed out Wish we could turn back time to the good old days

When our momma sang us to sleep but now we're stressed outUsed to play pretend, give each other different names, we would build a rocket ship and then we'd fly it far away

Used to dream of outer space, but now they're laughing at our face singing "wake up, you need to make money", yeah

Used to play pretend, give each other different names, we would build a rocket ship and then we'd fly it far away

Used to dream of outer space, but now they're laughing at our face singing "wake up, you need to make money", yeah

> Wish we could turn back time to the good old days When our momma sang us to sleep but now we're stressed out

Wish we could turn back time to the good old days

When our momma sang us to sleep but now we're stressed outWe used to play pretend, used to play pretend, money

> We used to play pretend, wake up you need the money Used to play pretend, used to play pretend, money We used to play pretend, wake up you need the money

Used to play pretend, give each other different names, we would build a rocket ship and then we'd fly it far away

Used to dream of outer space, but now they're laughing at our face saying "wake up, you need to make money", yeah
