

The Static Age

Green Day

Can you hear the sound of the static noise Blasting out in stereo?
Cater to the class and the paranoid
Music to my nervous system
Advertising love and religion
Murder on the airwaves
Slogans on the brink of corruption
Visions of blasphemy
War and peace
Oh, screaming at you I can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static age
Billboard on the rise in the dawn's landscape
Working your insanity
Tragic a'la madness and concrete
Coca-Cola execution
Conscience on a cross and your heart's in a vice
Squeezing out your state of mind
Are what you own that you cannot buy?
What a fucking tragedy, strategy
Oh, screaming at you I can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static age I can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static age Hey, hey, it's the static age
Well this is how the west was won
Hey, hey, it's the static age millenium
All I wanna know what's the god-damn pain
Not what's in the medicine
All I want to do is I want to breathe
Batteries are not included
What's the latest way that a man can die
Screaming "Hallelujah"?
Singing out "The dawn's early light"
The silence of the rotten, forgotten
Oh, screaming at you I can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static age I can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static age I can't see a thing in the video (woah)
I can't hear a sound on the radio (woah)
In stereo in the static age I can't see a thing in the video (woah)
I can't hear a sound on the radio (woah)

In stereo in the static age
The static age
