## The Static Age

## **Green Day**

Can you hear the sound of the static noise Blasting out in stereo? Cater to the class and the paranoid Music to my nervous system Advertising love and religion Murder on the airwaves Slogans on the brink of corruption Visions of blasphemy War and peace Oh, screaming at youI can't see a thing in the video I can't hear a sound on the radio In stereo in the static age Billboard on the rise in the dawn's landscape Working your insanity Tragic a'la madness and concrete Coca-Cola execution Conscience on a cross and your heart's in a vice Squeezing out your state of mind Are what you own that you cannot buy? What a fucking tragedy, strategy Oh, screaming at youI can't see a thing in the video I can't hear a sound on the radio In stereo in the static ageI can't see a thing in the video I can't hear a sound on the radio In stereo in the static ageHey, hey, it's the static age Well this is how the west was won Hey, hey, it's the static age millenium All I wanna know what's the god-damn pain Not what's in the medicine All I want to do is I want to breathe Batteries are not included What's the latest way that a man can die Screaming "Hallelujah"? Singing out "The dawn's early light" The silence of the rotten, forgotten Oh, screaming at youI can't see a thing in the video I can't hear a sound on the radio In stereo in the static ageI can't see a thing in the video I can't hear a sound on the radio In stereo in the static ageI can't see a thing in the video (woah) I can't hear a sound on the radio (woah) In stereo in the static ageI can't see a thing in the video (woah)

I can't hear a sound on the radio (woah)
