

# Stuck In the Middle

MIKA

I sit and think about the day that you're gonna die  
Your wrinkled eyes betray the joy with which you smile  
Care to see my reason? Care to put your life in mine? Looking at life from the perspective of a  
boy  
Who's learned to love you but has also learned to grow  
Could we make it better, stormy weather, is so hard to know Oh, oh, oh, is there anybody home  
Who will believe me, won't deceive me, won't try to change me?  
Oh, oh, oh, is there anybody home  
Who wants to have me, just to love me? Stuck in the middle I look at you, you look at me, we  
bite each other  
And with your bitter words you kick me in the gutter  
But my troops are bigger than yours, you'll never stand my fight  
Ours is a family that's based upon tradition  
But with my careless words I tread upon your vision  
Are five kids better than one? Who doesn't like to become? Oh, oh, oh, is there anybody home  
Who will believe me, won't deceive me, won't try to change me?  
Oh, oh, oh, is there anybody home  
Who wants to have me, just to love me? Stuck in the middle Yeah, yeah, yeah This is just who I  
am, this ain't a greater plan  
To break your heart over me  
I know that what I've started means that when we have parted  
I can live in honesty Oh, oh, oh, is there anybody home  
Who will believe me, won't deceive me, won't try to change me?  
Oh, oh, oh, is there anybody home  
Who wants to have me, just to love me?  
Stuck in the middle  
Stuck in the middle  
Stuck in the middle  
Stuck in the middle
