

# When Your Mind's Made Up

Glen Hansard & Marketa Irglová

So, if you want something  
And you call, call  
Then I'll come running  
To fight and I'll be at your door  
When there's nothing worth running for  
When your mind's made up  
When your mind's made up  
There's no point trying to change it  
When your mind's made up  
When your mind's made up  
There's no point trying to stop it, you see  
You're just like everyone  
When the shit falls  
All you wanna do is run away  
And hide all by yourself  
When there's far from, there's nothing else  
When your mind's made up  
When your mind's made up  
There's no point trying to change it  
When your mind's made up  
When your mind's made up  
There's no point even talking  
When your mind's made up  
When your mind's made up  
There's no point trying to fight it  
When your mind's, your mind  
Love, love  
There's no point trying to change it  
When your love  
So if you ever want something  
And you call, call  
Then I'll come running
