

We Turn Red

Red Hot Chili Peppers

We got large and we got small,
We got a swimming pool and a cannon ball
We turn red and we turn green,
It's the craziest thing I've ever seen
Lost my mind cause I'm on the plastic
Who knew it's so damn drastic
Show me what it is you believe in
Slowly she sinks all your teeth in
Do you want to go fishing in New Orleans
Do you want to get up early in the mornings
Take me to the river where we do the little storming
Hallelujah, I feel it warming
Sitting here I count the moons
The orders we obeyed
Every night 'fore we go to bed
I watch while the others pray
Send it off through Delaware just
Make it fair for the legionnaires
Paint a simple portrait of my kind
Permission to the heartless bombs
Go played it head and the waitress moans
Serving up the stories of my mind
Mexico you are my neighbor
Home of the let's be braver
Give me all your sick and your tired
Races that we have admired
Do you want to go dancing in Chicago
Trinidad's got it bad for Tobago
Take me to the lake where we do the Avocado
Hallelujah, a desparado
Sitting here I count the moons
The orders we obeyed
Every night 'fore we go to bed
I watch while the others pray
Send it off through Delaware just
Make it fair for the legionnaires
Paint a simple portrait of my kind
Permission to the heartless bombs
Go played it head and the waitress moans
Serving up the stories of my mind
Coming down from the deserts where you
Caught a glimpse of the billionaire
Tell me I'm the right one for the ride
Paper signs out on the lawns
Gold minds and the priceless pawns
Does your canyon really open wide
We got large and we got small,
We got a swimming pool and a cannon ball
We turn red and we turn green,
It's the craziest thing I've ever seen
