

# Jump for Joy

## 2 Unlimited

I wanna scream  
I wanna jump for joy, and I want everyone to know!  
I wanna scream  
I wanna jump for joy, and I gotta let the whole world know! Jump for joy  
Jump for joy  
Jump for joy  
Jump for joy Everybody jump jump  
Jump for joy  
Everybody jump jump  
Everybody jump jump Jump for joy! I wanna scream  
I wanna jump for joy, and I want everyone to know!  
I wanna scream  
I wanna jump for joy, and I gotta let the whole world know!  
I wanna jump for joy, J-O-Y  
'Cause Cupid shot your arrow in the sky  
You know the feeling, jumping and screaming  
Here come the angels marked by demons  
You must be dreaming, your heart is steaming  
Forget the pain and start believing  
Peace and love surrounding Earth  
Respect to my mum who gave me birth  
Butterflies are moving fast  
Is this the last love look of last  
Heavier as ever, rhymes quite clever  
Respect to the world, it's time for whatever  
Stimulate the feeling you got inside  
Hold me down so we can take a ride  
Hoaw my month for you to enjoy  
Wave your hands in the air and jump for joy  
I wanna scream  
I wanna jump for joy, and I want everyone to know!  
I wanna scream  
I wanna jump for joy, and I gotta let the whole world know! Jump for joy, Jump for joy  
Jump for joy, Jump for joy  
Jump For Joy!  
I wanna jump for joy, jump for joy  
Everybody jump jump  
Everybody jump jump  
Jump for joy Everybody jump jump  
Jump for joy I wanna scream  
I wanna jump for joy, and I want everyone to know!  
I wanna scream

I wanna jump for joy, and I gotta let the whole world know! I wanna scream  
I wanna jump for joy, and I want everyone to know!  
I wanna scream  
I wanna jump for joy, and I gotta let the whole world know! Jump for joy  
Jump for joy  
Jump for joy  
Jump for joy
