All You Gotta Do

TINI

You get used to
Dancing all alone
Since I met you
You keep me on my toesLet's go somewhere
I got something I wanna show you
All you gotta do
Is say you want me and I'll be yours

Mmmm

All you gotta do

Is say you want me

And I'll be yours

I'll be yoursAll you gotta do

Is say you want me

And I'll be yours

I'll be yours

Keep your secrets

I like what I know

Keep me guessing

And I'll just keep you close

YeahLet's go somewhere

I got something I wanna show you

All you gotta doIs say you want me and I'll be yours

Mmmm

All you gotta do

Is say you want me

And I'll be yours

I'll be yours

All you gotta do

Is say you want me

And I'll be yours

I'll be yours

Let's go somewhere

I got something I wanna show you

All you gotta do

Is say you want me and I'll be yours

(And I'll be yours)

All you gotta do

Is say you want me

And I'll be yours

I'll be yours

All you gotta do

Is say you want me

And I'll be yours I'll be yours Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
