## **Desperado**

## **Alice Cooper**

I'm a gambler
And I'm a runner
But you knew that
When you lay downI'm a picture
Of ugly stories
I'm a killer

And I'm a clownStep into the street by sundown

Step into your last goodbye

You're a target just by living

Twenty dollars will make you dieI wear lace

And I wear black leather

My hands are lightning upon my gun

My shots are clean

And my, my shots are final

My shots are deadly

And when it's doneYou're as stiff as my smoking barrel

You're as dead as a desert night

You're a notch

And I'm a legend

You're at peace

And I must hideTell me where the hell I'm going

'Let my bones fall in the dust

Can't you hear that ghost that's calling

As my Colt begins to rust

In the dust

I'm a killer

I'm a clown

I'm a priest

That's gone to town
