

# Bastards

Kesha

One, two, three, four, one I got too many people I got left to prove wrong  
All those motherfuckers been too mean for too long  
And I'm so sick of crying, yeah  
Darling, what's it for?  
I could fight forever, oh, but life's too short Don't let the bastards get you down, oh no  
Don't let the assholes wear you out  
Don't let the mean girls take the crown  
Don't let the scumbags screw you 'round  
Don't let the bastards take you down  
Been underestimated my entire life  
I know people gonna talk shit, and darling, that's fine  
But they won't break my spirit, I won't let 'em win  
I'll just keep on living, keep on living, oh  
The way I wanna live Don't let the bastards get you down, oh no  
Don't let the assholes wear you out  
Don't let the mean girls take the crown  
Don't let the scumbags screw you 'round  
Don't let the bastards get you down Don't let the bastards get you down, oh no  
Don't let the assholes wear you out  
Don't let the mean girls take your crown  
Don't let the scumbags screw you 'round  
Don't let the bastards take you down  
Na na na, la da da da da da, na na hey, na na hey  
Na na na, la da da da da da, na na hey, na na hey  
Na na na, la da da da da da, na na hey, na na hey  
Na na na, la da da da da da, na na hey, na na hey So was that a good one?  
Should we go again?
