U Ain't Gotta Go Home

Joe Budden

[DJ Clue] Yeah, the world famous DJ Clue Desert Storm Jump off Joe Buddens, on top This go out to all my niggaz You ain't gotta chain, but you got a mean muthafuckin' wrist game All my ladies, you ain't got a car But you gotta mean muthafuckin' heel game Click them heels You know how we do it C'mon[Joe Budden] Whoa! (Haha) Whoa! Okay Dub Whoa! Have some fun with it [Hook] Mami, I'm there if you fine in the rear We can get into whatever if you don't mind boo be yeah And when I'm done slidin', you somethin' fierce You ain't gotta go home but you gotta get the fuck outta here[Verse 1] I ain't got to tell homeboy, he know that This is 'Matrix Reloaded' and Neo's back I'm up, humble apologies, sorry clowns I'm here for the long run, I ain't Coffee Brown Get to know me, the man, the person So by the time I'm on my fifth album You should understand the first one It's non-fiction, you deny you want proof I only buck in the air when the sky's in the booth You gets liable to shoot This twenty-two release some extra keyholes on the driver's side of your coupe Like, nighty night, here's your lullaby bitches You might need just a lil' more than butterfly stitches Get out of line and get stuck up duke Lose your spines tryin' to touch us jukes Get to the mall in a circle, guns out playin' "duck-duck-goose" This shit is kinda aiight till I fuck in the booth I'm sayin', I'm here, got my nine up in here Thugs wanna rumble, I don't mind, nigga yeah [Bridge] And when I'm done slidin' up somethin' fierce You ain't gotta go home but you gotta get the fuck outta here[Verse 2]

Like I don't roll with niggaz that'll lift 'ayn' chrome Take a look at 'em, you can see they just skin and bones Y'all talk about bricks when y'all know who move 'em us real niggaz make withdrawls while y'all go through 'em We carry long guns, we can contra on it We talk about it, we live it, y'all ponder on it Shit, ridiculously priced, us cons afford it I'm talkin' straight cash, you might need a sponsor for it But wait - ever met somebody that wouldn't chill Every second he feel the need to let you know that he's real Every second he wanna talk about his homies that died And the people he killed and in the future all the people he will Talk about who he stabbed and beat up, and he won't cool out Yakety-yakkin', he's reminiscing on different shootouts How he was there, shotties was blastin' Cops came with body bags, and he's talkin', but nobody asked him Naw - he want attention, he want his name yelled Me and him always end up in the same cell I'm pissed on the top bunk, I can't sleep This guy ain't street, go 'head nigga I ain't beef But feel me - stop there, who popped him where Who you backed out on and had the whole block scared[Bridge] Ma when I'm done pokin' you from the rear You ain't gotta go home but you gotta get the fuck outta here[Verse 3] Ma - you real aggressive, catchin' me of balance It's a turn off, don't you know niggaz respect a challenge Move a lil' slow gettin' at me Treat the pussy like it's worth somethin', don't just go throwin' it at me Cuz - while you doin' it at the same time I'm thinkin' how many niggaz hit you wit that same line Or - how many other niggaz you ran game to How many niggaz you fucked or you gave brain to How many other dudes houses you done came to With condoms on you hopin' that he find 'em on you And - I ain't tryin' to catch nothin' from you So I'm caught up in a Catch-22 If I don't fuck her then I'm not like guys she met before So while I'm turnin' her down she's just likin' me more But if I do get to pokin', hit her with long strokin' I now have a girlie on my hands that's open I don't want her callin' me constantly Thinkin' 'cause I fucked her she got a bond with me I don't want her misunderstandin' a one night stand It was just a nut, I'm not your man[Hook] Ma - I'm there, if you fine in the rear We can get into whatever if you don't mind boo be yeah And when I'm done slidin', you somethin' fierce You ain't gotta go home but you gotta get the fuck outta here Ma - I'm there, name a time and where

We can get into whatever if you don't mind boo be yeah And when I'm done pokin' you from the rear You ain't gotta go home but you gotta get the fuck outta here[DJ Clue talking till end]
