

Timothy

Jet

Timothy, I took your place
Timothy, 'cause it's such a waste
Timothy, we found your spaceship
Timothy, it's the farthest you've ever flown
Never used your head
To find out what this whole thing meant
It's not what it seems
But it is
Timothy where have you been?
Timothy where have you been?
Timothy, where did you go?
Timothy, the boy can throw
Timothy, we found your spaceship
Timothy, did it hurt when you hit the ground
Never used your legs
To walk 'round in this whole mess
It's not what it seems
But it is
Timothy where have you been
She cried in the kitchen
To let you go
Timothy where have you been
Missed your photo
Missed your birthday too
Missed your photo
It's not what it seems
But it is
Timothy where have you been
She cried in the kitchen
To let you go
Timothy where have you been
Missed your photo
Missed your birthday too
Missed your photo
Missed your birthday too
