

Your Teeth In My Neck

Kali Uchis

Gone before sunrise
Never sleep on the game
We're all shaking a dice
Now, if you roll enough could change your life
I'm on a roll on my own
I came to fight
I came to fight What do I do it for?
I've been working so hard just to give you more
Gotta get right
What do you do it for?
When the rest of the world is falling through the floor
You gotta get right
'Cause you know better
You know, you know
You know better
You know, you know
You know better
You know, you know (you know)
It's your teeth in my neck
Your teeth in my neck Some people worship diamonds and pearls, silver and gold
Just to hold it
They'd give anything in the world
Kill us all off
They'd take our worth they pay us dirt
Is it worth it?
Is it worth it?
What do I do it for?
I've been working so hard just to give you more
Gotta get right
What do you do it for?
Rich man keeps getting richer, taking from the poor
You gotta get right 'Cause you know better
You know, you know
You know better
You know, you know
You know better
You know, you know
It's your teeth in my neck
Your teeth in my neck Don't you wanna get to know you?
Baby, take it slower, slower
Wow, baby, take it slow 'Cause you know better
You know, you know

You know better
You know, you know
You know better
You know, you know
It's your teeth in my neck
Your teeth in my neck
