

Slippery Fingers

Nils Lofgren & Grin

I ain't really that good looking
It ain't that i'm big or tall
It ain't cause I'm short and funny, I know honey
It's my slippery fingers, that's all
Slippery fingers
Slippery fingers
Slippery fingers
Slippery fingers
Slippery fingers
Slippin' all over you
You ain't got to hide away
In fact you ain't got to hide at all
If you wonderin' how I'm gonna move ya
It's my slippery fingers, that's all
If ya pressing a number on my telephone
If you're lucky you'll be home for the call
Don't pretend you don't know, whats happening
My slippery fingers, that's all
Slippery fingers
Slippery fingers
Slippery fingers
Slippery fingers
Slippery fingers
Slippin' all over you
Hey
