

Waiting on You

Tyrese

I've been waiting all day long just to have you here
Girl to let you know, to let you know just how I feel
Now as much as I love to hear your pretty voice
Tonight it just won't do I need you're love baby, every bit of your love
So, I won't quit, no, until you give me all of you Girl I'm here, waiting on you
I'll be here, don't take too long cause
Girl I'm here, here waiting on you Now any other time I might be alright just by myself
But what I got in mind tonight baby, ooh I sure do need your help
Now I appreciate all the phone calls and the texts, but right now it just won't do I need you're
love baby, every bit of your love
I won't quit, baby if I gotta get on one knee and beg
I won't quit, 'til you give me all of you
Girl I'm here, I'll be patiently waiting
I'll be here, girl I'll be patiently waiting, right here
Girl I'm here, here waiting on you, aw baby Baby don't hold back from a man
What keeps him going strong
I need your love, love, love, every bit of your love
Girl it's one thing I know for sure, that I'll be here waiting
Here waiting on you Girl I'm here, I'll be patiently waiting
I'll be here, And I can't wait to get to you baby
Girl I'm here, I'm here waiting on you
Bring that body here
Girl I'm here, girl I don't wanna Facetime I want your face this time
I'll be here, don't wanna wait no longer
Girl I'm here, right here, waiting on you
Said I'll be right here
Sit down lady
Right here, right here waiting
Talk to me baby
Right here, right here waiting
I'll be right here, I'll be right here
