

# Stuff That Works

Guy Clark

I got an ol' blue shirt and it suits me just fine  
I like the way it feels so I wear it all the time  
I got an old guitar, won't ever stay in tune  
I like the way it sounds in a dark and empty room  
I got an ol' pair of boots and they fit just right  
Well I can work all day and I can dance all night  
I got an ol' used car and it runs just like a top  
I get the feelin' it ain't ever gonna stop  
Stuff that works, stuff that holds up  
The kind of stuff you don't hang on the wall  
Stuff that's real, stuff you feel  
The kind of stuff you reach for when you fall  
I got a pretty good friend who's seen me at my worst  
He can't tell if I'm a blessing or a curse  
But he always shows up when chips are down  
That's the kind of stuff I like to be around  
Stuff that works, stuff that holds up  
The kind of stuff you don't hang on the wall  
Stuff that's real, stuff you feel  
The kind of stuff you reach for when you fall  
I got a woman I love she's crazy, paints like God  
She's got a playground sense of justice, she won't take odds  
I got a tattoo with her name right through my soul  
I think everything she touches turns to gold  
Stuff that works, stuff that holds up  
The kind of stuff you don't hang on the wall  
Stuff that's real, stuff you feel  
The kind of stuff you reach for when you fall  
Stuff that works, stuff that holds up  
The kind of stuff you don't hang on the wall  
Stuff that's real, stuff you feel  
The kind of stuff you reach for when you fall
