

Memory

Susan Boyle

Midnight

Not a sound from the pavement
Has the moon lost her memory? She is smiling alone in the lamplight
The withered leaves collect at my feet
And the wind begins to moan Every streetlamp
Seems to beat a fatalistic warning
Someone mutters and the streetlamp gutters
And soon it will be morning

Daylight

I must wait for the sunrise
I must think of a new life
And I mustn't give in When the dawn comes
Tonight will be a memory too
And a new day will begin Touch me
It's so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me
You'll understand what happiness is Look
A new day has begun
