## Jungle

Ooh brother  
Ooh it's funny  
How good you are I'll knock you down  
Brother, please  
Go tell  
Who you  
Want to Under the ricks  
Down by the beach  
No, I'm not  
Where you  
Want me Ooh brother  
I'll get you high  
Ooh brother  
I'll get you high I'll knock you down  
Brother, please  
Go tell  
Who you  
Want to I see the snake  
Down by my feet  
Walk on  
Just you  
Watch me I'll knock you down  
Brother, please  
Go tell  
Who you  
Want to  
Behind my back  
And the love beneath  
Whispered  
Into  
Nothing
