

Sit Back Down (feat. Maleek Berry)

Not3s

You better sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean
Sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean Watchu mean
To clean, watchu mean
Tinted windows when we rollin' now
That's a seven seat Addi Lee
No sauce, we be too saucy
Thats
Add no sauce now, i'm juicin'
I recall when this was a dream
It was me they were lying on
Now it's me they relying on
Cause they see money climbing up
I'm shining up
But they can't join my way You know say I be oga
You know say I be oga
Getting money in pound and the dollar
In pounds and in dollar You better sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean
Sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean
Yeah yeah
I be the boss now. Yeah
I be the general eh... eh
Maleek berry. Presidential le leiyi
All black they don't see me
I only dey for the TV
Patrick
####It was me they were relying on
Now it's me they relying on
Cause they see money climbing up
I'm shining up
But they can't join my way

You know say I be oga
You know say I be oga
Getting money in pound and the dollar
In pounds and in dollar You better sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean
Sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean You better sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean
Sit back down, watchu mean
Sit back down, watchu mean
You say that you are coming for me
Sit back down, watchu mean
