

Heaven

[Alex Adair](#)

Heaven must have sent you
No I don't know where you come from baby
Don't know where you've been my baby
But heaven must have sent you
Heaven must have sent you
Heaven must have sent you
Heaven must have sent you
So long I've
needed love right near me
Have some boys to cheer me
Heaven must have sent you, honey
Heaven must have sent you
So long I've needed love right near me
Have some boys to cheer me
Heaven must have sent you, honey
Heaven must have sent you
Oh baby
Yeah
Love you more each day
It's a heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I want to stay
Heaven must have sent you
