

Let Your Love Flow

Bellamy Brothers

There's a reason for the sunshine sky
There's a reason why I'm feeling so high
Must be the season when that love light shines all around us
So let that feeling grab you deep
inside

And send you reeling where your love can't hide
And then go stealing through the moonlit night with your lover
Just let your love flow like a
mountain stream

And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean it's the season
Let your love fly like a bird on a wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean that's the reason
There's a reason for the warm sweet nights
And there's a reason for the candle lights

Must be the season when those love lights shine all around us
So let that wonder take you into
space

And lay you under it's loving embrace
Just feel the thunder as it warms your face you can't hold back
Just let your love flow like a
mountain stream

And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean it's the season
Let your love fly like a bird on a wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean that's the reason
Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean it's the season
Let your love fly like a bird on a wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean that's the reason.
