## I Wanna Do It All

## **Terri Clark**

I'm sitting in traffic for the fifth year in a row Wasting my time just to get where I don't even wanna go I started jotting things down on a Krispy Kreme sack Everything I'd do if I could leave this place and never look backI wanna do it all Visit Paris in the fall Watch the Yankees play ball I wanna take it all in Catch a few beads down at Mardi Gras Start a tradition, lay down the law I wanna do it allI want to drink tequila down in Tijuana Say "why not" when somebody says "hey, do you wanna" I wanna get my heart broke once or twice Settle down with the love of my life, rock little babies to sleep at night I wanna do it all Visit Paris in the fall Watch the Yankees play ball I wanna take it all in Catch a few beads down at Mardi Gras Start a tradition, lay down the law I wanna do it allI wanna spend a day every now and then Just doing what I wanna do when I wanna do it Anytime I wanna do itI wanna do it all Visit Paris in the fall Watch the Yankees play ball I wanna take it all in Catch a few beads down at Mardi Gras Start a tradition, lay down the law I wanna do it all See Niagara falls Fight city hall Feel good in my skin Beating the odds with my back to the wall Try to rob Peter without paying Paul I wanna do it all I wanna do it all I wanna do it all Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
