Eye of the Storm

Killswitch Engage

As time goes by
Nothing has changed
I wont stand and watch
You wither awayAfter all this time
I stand by you
Through all of the years
I've been with youThrough pain and affliction
With every addiction
I will never let you downI will live by this code
Never surrender
You and I are one

You and I are one Through the eye Of the storm

You are never alone
Even through, the shadows
You are never aloneAfter all this time
Still you struggle

Even words of love Ring so hollowI have no regrets I have no remorse

And if you falter
I wont let you downThrough the eye
Of the storm

you are never alone Even through, the shadows You are never alone

Come on Together we stand

Never fall

No matter the trial

We will overcome

Together we stand

Never fall

No matter the Trial

We will overcomeThrough the eye

Of the storm

You are never alone

Even through, the shadows

You are never alone

Never

Together we stand

Never fall

No matter the trial

We will overcome We will overcome by Bruno Andreas Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
