Everything that I got I got from slanging birds
Niggas know I call my porsche the baby elephant
You ain't talking money then you got speech impediment

Everything I got I got from selling shit
And who I sold it to is irrelevant
Pocket full of Dead Presidents I'm With whatever
I pull my dick out and tell her sit wherever
I done stood on the block nigga from 9 to 9
And I sell a 9 at least 9 times
9Milla Clientel Look Like Thriller
If my baby mama cheating I Hope God with her
You not iler I'm Godzilla on hard liquor
My Penny loafers had nickels... UGH
