## **Molly Town**

## **Joss Stone**

I met this boy in Molly town
He said a boom, a boom, boom, boom
He said he'd like to buy my round
I said OK, but you can't buy me baby
You look just like my favourite sound
So I stay alalala

Asking if I was allowed to come and play
The rest is historyWhat is a girl like me to do - ooh, ohh
Not for a second I can leave you - ooh, ohh
Been here a month and I know your smile - ooh, ohh
My heart is thinking I'll stay a while - ooh, ohh, ooh, oooh

The weeks went on and the months fell out

Of my way, what can I sing about it

You swore you'd always be around

If I stay, so I'm staying (sing?)
I hold my plans to the god of fate

And all he say was boom, boom, boom

You're the point to the love I found

In a way, don't think I'm crazyWhat is a girl like me to do - ooh, ohh

Not for a second I can leave you - ooh, ohh

Been here a month and I know your smile - ooh, ohh

My heart is thinking I'll stay a while - ooh, ohh, ooh, ooohO-e-o, o-e-o, o-e-o-o-o

O-e-o, o-e-o, o-e-o-o-o

O-e-o, o-e-o, o-e-o-o-o

O-e-o, o-e-o, o-e-o-o-o

Got my camera, got my six

Let me go I'm leaving it

Run from life fast

Cause you got me, got me, got me transfixed

Thought I'd travel far away

But you call me half the way

Down in? I would stay

Cause you got me, got me good babeWhat is a girl like me to do - ooh, ohh

Not for a second I can leave you - ooh, ohh

Tiot for a second real feave you oon, only

Been here a month and I know your smile - ooh, ohh

My heart is thinking I'll stay a while - ooh, ohh, ooh, ooohI'll never let you go

Boy, you're my comfort child

I'll never let you go

No, no, oohI see our love's been a locket, there's no talk if I stop it

You just don't want to see me go

Every look I've been docking, on your door I've been knocking

Get your life and baby let's go, goI met this boy in Molly town
