

# Somebody (Acoustic Version)

Bonnie McKee

I sit alone, in a dark theater  
Watching the people go by  
Hand in hand, everybody but me I stay behind  
Watching the credits roll by  
Roll, roll, roll right by me I know I won't cry  
Because there is somebody,  
Somebody, somebody waiting for me  
Out in the rain, won't cry, not tonight  
'Cause there is somebody waiting for me Oh, yeah, won't cry I take a walk  
The streets are busy tonight  
And I am searching for you  
Waiting to brush your shoulder  
And I'm alone  
I watch the faces roll by  
Roll, roll, Roll right by me But I know I won't cry  
Because there is somebody,  
Somebody, somebody waiting for me  
Out in the rain, won't cry, not tonight  
'Cause there is somebody waiting for me How many words will go unspoken? Oh,  
'Til I hear you knocking upon my door  
I need some talking the nights I spent heartbroken  
But tonight I know: I won't cry no more I lie awake  
I left the porch light on  
I hope it helps you to find your way Outside I hear the thunder roll by  
Roll, roll, roll right by me  
But I know I won't cry  
I know I won't cry  
Because there is somebody,  
Somebody, somebody waiting for me  
Out in the rain, won't cry, not tonight  
No, 'cause there is somebody waiting for me  
Not gonna cry tonight,  
Not gonna no, no, no, no  
Oh, yeah, no, not gonna cry, not tonight  
'Cause there is somebody waiting for me I stay behind  
Watching the credits roll by  
Roll, roll, roll right by me
