

Boys Get Straight

Johnny Marr

I was one of those time
When I wasn't, really there
"I'm a side effect" I said
In town desintegration was
Doing me in
Do me again, Something so good
Makes me think of revolution
Can we do it again?
Something in our blood
Makes people needy pople.
Boys
Get straight
Shot down
In flames
Small time
Happenings
Too late
Boys
Get straight. Reactivate
Re-Load. Something so good
Makes people needy pepple
Getting used again
Some things in our blood
Makes it so easy for them.
Consume xonsume again.
Reactivate
Re-Load. Boys
Get straighr
Wildlife
Escapes
Hoght time
Happenings
Too late
Boys
Get straight.
