

Aquafina (feat. Goldlink & Chaz French)

Falcons

Yeah, word to motha, blukka blukka
I bust a nigga, owe me money then I own you bullets
Cock and pull it, bitch I move it
That cocaina, that Aquafina, yeah that water, with my bitch Nina
See I just turned 21 and ain't
shit changed
I'm still a mother fucking product of the dope game
I take a bitch and cruise cruise down the road to fame
Got my name up and all the hoes wanna wear my chain
Shit, nigga we don't give a fuck about it
I push whatever, get whatever, then I move about it
Always been a bout it bout it nigga I just need a tank
And they rolling up that sticky icky that I sold away, I swear that's word to... yeah
Yeah, word to motha, blukka blukka
I bust a nigga, owe me money then I own you bullets
Cock and pull it, bitch I move it
That cocaina, that Aquafina, yeah that water, with my bitch Nina
Yeah, word to motha, blukka blukka
I bust a nigga, owe me money then I own you bullets
Cock and pull it, bitch I move it
That cocaina, that Aquafina, yeah that water, with my bitch Nina
I remember Mama falling
victim to that dope game
Back when Daddy was popping pistols without a gun range
I was serving dimes for only 8 to get some lunch change
I even fronted a couple teachers for a grade change
I ain't lie, no
Yeah, the game changed can't remain the same and this shit don't be promising
Try living with Mama man can I be honest shit need to get poppin' quick
Yeah, we all outta options
That's why we steady whippin' it
So when it's time to eat I make sure I break bread with the niggas I'm starving with
Tryna get what's left of me, from that weed to the ecstasy
She was bound to the true twenty twenty to the last so I had to OD for my ex to see
A broken heart, is a broken promise and I'm tryna fix problems with broken bottles
Startin' to feel better, who broke the condom?
See when life sucks I just let her deep throat and swallow, my God!
Yeah, word to motha, blukka blukka
I bust a nigga, owe me money then I own you bullets
Cock and pull it, bitch I move it
That cocaina, that Aquafina, yeah that water, with my bitch Nina
Yeah, word to motha, blukka
blukka
I bust a nigga, owe me money then I own you bullets
Cock and pull it, bitch I move it

That cocaina, that Aquafina, yeah that water, with my bitch Nina
